

**FOR IMMEDIATE RELEASE**

**Bonnie Spetzer, Chair  
College Township Industrial Development Authority  
1481 E. College Avenue  
State College, PA 16801**

**June 9, 2008**

**Newsroom:**

**Please announce the following not-for-profit happening:**

**CTIDA HELPS SMALL BUSINESSES**

Assistance is available for small business owners who want to borrow funds but do not meet banks' typical lending guidelines. The College Township Industrial Development Authority (CTIDA) has established a program to assist these borrowers by pledging funds to help collateralize their loans. This supports the CTIDA's mission of encouraging the growth of new and existing businesses to contribute to economic development in College Township and the region. The businesses do not have to be located in College Township to apply.

For more information, please contact the CTIDA at 814-237-8510.

-----  
For expanded information about this announcement you can contact Herb Graves or Ned Book at the above referenced number.

Thank you for your help in spreading the word to those companies who can use our help.

Sincerely,

Bonnie Spetzer, Chair  
College Township Development Authority
